CHANGES IN ADMINISTRATION OF DEFERRED PENSION

Osprey Pension Plan, Reg. No. 1077023 (the "Osprey Plan")
CanWest Publications Inc. Retirement Plan, Reg. No. 1077049 (the "CPI Plan")

We understand that you terminated employment with Osprey Media Holdings Inc. after February 14, 2003 and you elected to receive a deferred vested pension in respect of your prior employment. Specifically, you are currently entitled to a deferred vested pension from the CPI Plan in respect of pre-February 14, 2003 service and earnings.

The regulator has approved the pension asset and liability transfer from the CPI Plan to the Osprey Plan in respect of all benefits earned prior to February 14, 2003 and that transfer will occur in the immediate future. Thus, effective March 16, 2010, whenever you commence receiving your pension entitlements, the total pension benefits previously payable from the CPI Plan and the Osprey Plan will be paid from the Osprey Plan only.

Once the transfer is completed, Canwest will no longer have responsibility for your benefits previously paid from the CPI Plan. As a result, going forward any questions you have relating to your benefits accrued prior to February 14, 2003 should now be forwarded directly to:

Osprey Media Group Inc.
100 Renfrew Drive, Suite 110
Markham, ON. L3R 9R6
Attention: Ms. Angela Crane, Director of Payroll Operations
