

COVID-19 Bulletin 1

March 13, 2020

Dear Unifor 87-M members:

Events related to the COVID-19 pandemic are moving very quickly and your Local is responding. Your Executive Committee, staff reps and Local staff are working to prioritize what we want from your employers and how to best support members with information.

There are several issues we have to tackle that are at the top of the list, including:

- Wage continuation if a member is quarantined or chooses to self-isolate;
- Ability or requirement to work from home;
- Child-care knock-on effects.

Those are only a few. We will continue to update you as quickly as we can via email bulletins. We are also setting up a COVID-19 page for you on our website:

www.unifor87m.org/covid-19.

Finally, it is important that we are able to contact you by email with updates. If we do not have your personal email, we will not be able to reach you directly. Please help your elected unit representatives update our email list by providing your personal email.

Yours, in solidarity,

Paul Morse

President
